

## Opening times - Public holidays 2023/2024

November 2023

### **Our laboratory closes for Christmas holiday (25 Dec/26 Dec) and New Year from 27 December to 29 December 2023**

Please send your samples to our laboratory by **Thursday, 21 December 2023** at the latest. Express samples like TKTL1-/APO10 and all functional tests of the immunology should reach our logistic by **Tuesday, 19 December 2023** at the latest.

All samples arriving between **27 December 2023 to 29 December 2023** will be prepared and stabilized (except express samples and functional tests). The diagnostics of the samples starts from **2 January 2024**.

We will be back for you on **Tuesday, 2 January 2024**.

**Merry Christmas and a Happy New Year to you and your families!**
